Falstaff Hüttenguide 2026

In der stimmungsvollen Almhütte ist immer etwas los. Die Küche legt Wert auf Echtheit. Die Kaspresknödel, die Leberknödel und die Frittaten für die Rindsuppe sind hausgemacht. Die herrlichen Berner Würstel werden mit Kärntner Käse und Speck verfeinert. Top sind auch die Ripperln.

Odmor u 4-zvjezdичnom hotelu Almrausch

Neke se stvari ne mogu opisati niti o njima pričati: morate ih doživjeti. Kad govorimo o "odmoru s osjećajem", upravo na to mislimo. Taj poseban dodir, taj "osjećaj" koji odjekuje između redaka i šlag je na torti uživanja, upravo je to ono što nam je u Almrauschu važno. Osmijeh dobrodošlice, pažnja prema detaljima, jednostavno dodatna doza osjećaja!
